Dispute

Work description.

- Continued to check horizontal control with the assistance of David Chung for points MB007 (point on Navy Pier off of Treasure Island), Army-2 (point near W2 cap beam and existing E1), SKY-1 (point on easbound Skyway barrier) and SKY-3 (point on westbound skyway near the barrier).
- Continued to review submittal 1454R1 "W2 Precast Slabs" and still waiting for a response from the MEP group.
- Continued to get familiarized with the bolting operation inside the OBG and crossbeams for the majority of the day and worked overtime to accomplish this task.
